The offering for July is for the ministry of MARTIN and JOYCE CAMPBELL at the WEC training College in New Zealand, where they have been for the last 10 years following several years working in Afghanistan. It was great having Martin visit us recently and updating us on their work at the college where he is Principal and Joyce is a teacher and counsellor/advisor to the students. They were very busy with leadership meetings in Germany before arriving in the UK where they have time with family, friends and meeting supporting churches in Scotland, England and Nr. Ireland. Joyce is now back in New Zealand but Martin will remain in the UK until middle of July. The college's main aim to prepare new missionaries to take the Gospel to other countries and that's where Martin and Joyce fulfill a vital role in preparing the students for this work. They very much appreciate our prayers and support over many years.

The offering for August is for the support of the **SOUTH EAST ASIA BIBLE COLLEGE** in Myanmar run by Brother Kap Thang and his band of workers from the local church.

We have been supporting this work through Echoes of Service for 9 years. The college trains about 60 students, mostly poor youngsters from the isolated north of the country with approx. 24 different languages represented. Six months each year is spent on practical outreach trips to surrounding areas. The students help also to run children's camps and an orphanage which caters for over 100 kids each summer. Myanmar is a country which is often in the news regarding the way its military run government treats non Buddhists, including Christians. The school relies on financial assistance from outside and they are very grateful for our support and our prayers on their behalf.

Attention all men!! The Thursday Men's group visit to Museum of Rural Life will take place on **Thursday 30th August** leaving the Church car park at 1.00pm
