This month's offering is for the work of **PopUK** headed by our good friend Andy Silver. Here is his latest report: We are thankful to God for every invitation we receive to work in schools across the UK. I started the project in 2006 so it's 13 years old this year! It has been a thrilling journey and I am grateful to God for all the many thousands of children that have taken part and its wonderful to receive emails from parents saying how much impact this has had on their children. In 2018 we delivered 62 projects. The diary is filling up for 2019 but, due to schools having very little surplus cash, we have to keep adapting the project to make it affordable e.g. apart from our 5 day project, there is **Easter in a Day** - 3 songs exploring the Easter story and "**Will you 'like' me**" - 3 songs helping children understand the world of social media, it's positives and negatives. This month they have various projects all over the UK and one of these is in Alloway and Doonfoot Primary Schools in Ayr. As always they are thankful for our prayers and our financial commitment to their work.

HOUSEGROUP UPDATE

This month we should complete any of the studies in Psalms that we were unable to finish. In March new material will commence to run in parallel with teaching at the Evening Services.. **Housegroup leaders will advise their groups on restart dates.**
