April's Missionary offering is for the ministry of **Derek & Amanda Paterson**, who serve the Lord through working with Operation Mobilisation (OM). Recently Derek has been travelling to Malaysia, Indonesia and Singapore for three OM ships partner events. He spent some time on board Logos Hope in Valparaiso, Chile. They are over halfway through their two year tour of Latin America and have been overwhelmed by response of visitors and the engagement from local churches. The ship has just arrived in Argentina, followed by Uruguay and finishing the year with an important visit to Brazil. The beginning of 2020 will be spent in the Caribbean, and depending on Brexit, a significant visit to Europe.

Amanda's health is improving and she has returned to full time work, supporting students through difficult pastoral issues. Their children Matthew and Rachel are busy with university studies, Matthew finishing his final year and Rachel completing her first.

They send their love and appreciation to Westwoodhill for their financial and prayerful support and look forward to
