The offering for **JUNE** will be equally divided between **BARNABUS FUND & OPEN DOORS**. Both these organisations are well known to us and fulfil similar roles, that of giving practical aid, encouragement and support to our persecuted brothers and sisters all over the world. The following is information supplied by Barnabus under Freedom of Information Act

Prior to the start of the Syrian war, Christians comprised 10% of the population. The proportion of Christians admitted to the UK for 2017/18 was significantly less than 10%. For example the number of Christians re-settled by the Home Office into UK was just 0.2% for 2017.. Please pray the Home Office will accept more Christians who are particularly vulnerable to attack for their faith and consider writing to our MP about this. Pray that Iranian converts to Christianity who have had their asylum applications refused by the UK Home Office will be granted asylum via the appeals process. Pray that a larger number of Iranian Christians will be granted asylum in the UK. Their lives are in danger if they are returned to Iran.
