This month's offering will go to **David and Brigitte Sutherland** who thank us for our prayers and practical support. Their recent email gave us a number of things to pray for. In December they welcomed a new granddaughter and all the family were together for Christmas. Another encouragement was that friends came to the Christmas Service for the first time. The Emmaus Bible courses continue and a student from a Muslim country, who has been receiving courses, has accepted Christ and has a real thirst to know more of God's Word. Pray with them for his growth, protection and witness.

A GLO team will be working with them in July so pray for team members and the opportunities which will be given in the community. David & Brigitte have many commitments for preaching & teaching but they continue their personal witness in their local area..
