This month's offering is for **the Bible School in Romania**. The following is an update sent from them about the situation there in Romania.

Dear brethren in Christ,

This year has been very unusual for all of us. Though we have not been able to organize any conferences since spring, the Lord has opened new doors for the ministry here. We've had many meetings on Zoom with brethren from our church, from all over Romania and from other countries. We're often amazed how the Lord has used more preachers and teachers to reach more people than it would have in normal conditions.

We're also trying to do some repairs around the Bible School and to have it ready for whatever the Lord has in store for us next. Also the Lord is bringing more people/families into our lives that need help/guidance and counselling.

The children are growing fast: **Estera** is 16, **Stefan** is 13 and **Filip** is 10. Our greatest desire and prayer for them is to be faithful servants of the Lord.

Please continue to keep us in your prayers. We need wisdom, discernment and strength in doing the excellent things prepared by God for us, especially times like these. Please pray also for Costica (Cristina's father) who has not been too well in the last few months.

Thank you for your love, support and prayers over the years. May the Lord richly bless you!

Love in the Lord

Jacob & Cristina
