Keep going everyone, We are approaching the book of Joshua for our readings and this book itself is full of wonderful adventures with God.

Advance notice:

Good Friday: 2 April There will be an online service on this evening; Full details will follow later this month

Easter Sunday: 4 April Ali Miller will be responsible this morning to preach on the Good News of Easter.

This month's offering and missionary focus is for **David and Brigitte Sutherland** from Lyon in France.

We have prayed and supported them for many years and have got to know them well. They are very grateful for that support and the financial input to their work and lives in France.

We just received an email from them and the following is an edited part of that. The full report will be sent out this week, including pictures, via church email for everyone to read.

The two most recent events have been about family. A wedding and a funeral.

The funeral was in Brigitte's family who are not Christians but have since been asking for prayer and many good conversations about the Lord.

The wedding was of their daughter Fiona in Glasgow to Thierry who is originally from Africa. They were able to come to Scotland though sadly had to wait outside during the ceremony. They praise God for His goodness and rejoice for the happiness this event brings.

The pandemic continues to affect life in France. Churches are open but many people are alone and discouraged and church leaders need motivation and direction.

The Emmaus work has many students and they have distributed postcards in a nearby town to advertise. They hope people will respond. They continue to write books and Daily readings.

We pray the Lord will bless their work.

For our children:

Each Sunday there is a lesson taught and songs sung and that is accessed through their Facebook page WWH Sunday Club. Watch out on this page for further things to do.
