As restrictions seem to be changing quite quickly we would encourage you to regularly check your emails to see how these affect the church. Please be assured any changes made will be within guidelines and the Safety of all concerned.

We hope you are still enjoying our daily reading plan for 2021 via Read Scripture App and we are now reading in Isaiah.

This month's offering and missionary focus is **Derek & Heidi Malcolm**.

Below is an update from them and Derek will also be with us later this month.

Our dear friends at WWH, thank you for your continued practical and prayerful support which we appreciate very much.

This has been the longest period since 1990 that I have not been able to visit TK for ministry and to meet with my colleague in the Christian publishing work. Although it is frustrating, I am grateful for the technology that allows our work to continue and for me to be in constant contact with my colleague in country. Probably the most disturbing thing happening in TK at the moment is the deportation of many full time Christian workers. But this has meant that indigenous believers have had to step up and fill the gaps. Please pray for them.

We continue to publish Biblical resources in order to strengthen the church. Last year in 2020, in spite of lockdown we published around nine titles: these included "Knowing God" by JI Packer. We hope to be able, God willing to produce another seven or eight titles this year. It is very encouraging to see the resources building up.

Heidi continues with her work in the Glasgow area. She keeps in touch with friends by phone and zoom and has had a number of very encouraging zoom get togethers.

Warm greetings, Derek and Heidi.
