Wednesday Prayer Meeting @ 8pm in Church -

These meetings will continue through this month. We would encourage attendance when possible.

As previously announced, there is now no need to book for our Services. With the extension complete we have enough flexibility to welcome all back to church. We have missed familiar faces and want to encourage you back to enjoy and find benefit & the blessings of listening to the Preaching & Teaching of God’s Word. As you see above we are starting a new Teaching Series in Esther, so there is no better time to return than Sunday coming!!

This month's offering and missionary focus is **Martin and Joyce Campbell** in New Zealand. The following is an email sent to our Missionary Group

Family: Alasdair is doing well, studying a Masters in Engineering, leading a weekly Bible study in our home and waiting for the borders to open so he can see his girlfriend in Japan again.

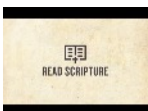

Jordie is in 2nd year of a degree in Business and dating a young Cambodian woman. They are very committed in their faith and have started a young people's weekly prayer meeting as well as leading a youth group and helping out at Christian camps.

Joe-Joe is not doing so well and we would appreciate your prayers as he appears a bit lost at the moment.

Eastwest College is going well and we have just had an audit from the education body which returned a glowing recommendation. Praise God! We are so pleased to watch our graduates move to mission locations and continue in their God-given ministry around the world including South Sudan, Indonesia, Turkey and many others.

Prayer points:

- Pray for 20 students from NZ for the February 2022 intake as it is unlikely the borders will be open by then, as we usually have 75% come from overseas. We are praying this as a season for renewed mission vision in NZ!
- Pray for Joe-Joe - that the Lord meets him where he is and guides him in God's path.
- Pray for our graduates who are working around the world and dealing with the challenges of COVID in their situations.
- Pray for two staff members in the US currently waiting for the borders to open.

This month we start in Lamentations as we continue our reading in the Prophets in Exile

For our children and young people:

Sunday Club: This is has restarted - and we are thankful to have them back in Church each week.

T4:12 and Ignite meet together every two weeks in the Church @ 4pm

Continue to pray for:

1. Those who are concerned and anxious.
 2. Those we know and care about who are going through very difficult times due to continuing ill health.
 3. For those undergoing medical treatment and procedures and for all medical personnel, teachers and those working in the caring community
 4. For our children and young people, who have now started their summer holidays. Pray God will keep them safe and they'll enjoy this time with family and friends.
 5. For every family connected to our Church that they will know God's peace in their hearts through every circumstance.
 6. PTL for the vaccine that is continuing to roll out
 7. For our elders and Tech team. Pray for wisdom and guidance as they help us return to church, still keeping within government guidelines.
 8. Pray for those who continue to teach us each week from God's Word
