This month's missionary focus and offering is for the work of **FOUNDATION TOTALI**, Bolivia

Give thanks to God for:

- the provision of modern dental X-ray equipment for the Health Centre. This gives panoramic digital radiography for adults and children or skull and maxillary sinuses X-ray
- a productive basic level ear and hearing care workshop for teachers. This is important as teachers will be the first to detect hearing problems in young people.
- the provision of state of the art Tablets and Internet access for children's virtual school classes
- Sign language courses have restarted FT staff to help communicate with deaf people

Pray for the children as they learn from the Bible.

Pray that the women's craft classes would generate Christian fellowship as they study the Bible together.

Pray for the Sports and Community teams as they share the Gospel. Ask for God's protection for all FT staff and that those who are ill would recover.

---

For your information and prayers the Elders meet regularly. Please feel free to contact any one of them with news or matters of concern.

---

This month we continue our readings in the New Testament.
